

MSU Student Radio / WDBM-FM
Now Hiring

Asst. Music Director

Basic Qualifications

- **Must be a student at Michigan State University**
- **Must have volunteer experience at IMPACT**
- Strong communication and writing skills

Preferred Qualifications

- Experience leading groups and delegating tasks
- Ability to articulate and make in-depth analysis of music
- Interest in pursuing a career in the music industry
- Knowledgeable about music and the music industry

Salary

This position requires approximately 10 hours per week. Training would begin immediately. The salary level is competitive and based upon prior experience.

Typical Duties & Responsibilities

- Work closely with Program Director and Station Manager to support programming strategy
- Provide the Programming Director with weekly rotation options
- Maintain a functional and professional relationship with record labels and promoters
- Create opportunities for volunteers to interview artists and learn about Impact's music selection process
- Remain current on radio industry trends and competitive playlists

Applications are accepted until the position is filled

Interviews will be scheduled on a rolling basis.

Please submit an application form and resume to Operations Manager
Marissa Saldivia at operations@impact89fm.org.
