Descriptions

DJ: Develop speaking skills on live radio, giveaway prizes, take requests, and spread information about the music we play and the station.

Video Production: Assist Director as camera operator and in post-production for in-studio and concert performances. Volunteers should be experienced in some aspect of video production.

Audio Production: Assist Director with pre and post production of PSAs, bumpers, promos, etc. Volunteers should be experienced in some aspect of audio production.

News: Cover local and national stories to create audio narratives for broadcast.

Content Team: Assist Director in creating music and culture related content for the website.

Street Team: Assist Directors in promoting the station through working events, creating partnerships with local businesses, and marketing the Impact to your fellow Spartan community.

Sports: Cover and report on MSU sports teams as well as Detroit professional teams. Write articles, produce podcasts, and even join a live sports radio show.

Music Review: Listen to fresh and up-and-coming albums and songs with us to help decide the sound of the Impact!

Graphic Design: Work collaboratively with the Creative Director and graphics team to design graphics for fliers, social media and our website.

Interview Team: practice your interviewing skills so you can interview artists, community members, staff, and so much more. Interviews take place in all formats, audio written, and video!

I have completed the above application and certify that the information given is complete and accurate to the best of my knowledge. I agree to abide by all policies, procedures and regulations of MSU Student Radio, Michigan State University and the Federal Government pursuant to broadcasting while working in MSU Student Radio.
